Mount swatches of fabric samples or download color copies or substitute magazine or scrapbook paper to represent these items on mat or foam core board. The white board should be 11 x 18 inches and the black board should be 13 x 20 inches. In

the folder, describe the person who lives in the room and the decisions required in selecting the color scheme, floor, wall, and window treatments; describe the furniture and how the furniture was arranged to accommodate traffic flow; describe the floor, wall, and window treatments selected, etc.; and describe what you like most about the room.

913 Presentation Board – Great Room: This exhibit is to be made up of two parts: 1) a presentation board as described below and 2) a folder of the documentation described below. Using the Mississippi web site, (http://msucare.com/4h_Youth/interior_design/index.html) create a presentation board (color scheme and room template) for a great room. Mount swatches of fabric samples or download color copies or substitute magazine or scrapbook paper to represent these items on mat or foam core board. The white board should be 11 x 18 inches and the black board should be 13 x 20 inches. In the folder, describe the family who uses the room and the decisions required in selecting the color scheme, floor, wall, and window treatments; describe the furniture and how the furniture was arranged to accommodate traffic flow; describe the floor, wall, and window treatments selected, etc.; and describe what you like most about the room.
